

The background of the page is a textured, painterly illustration of a landscape. It depicts a field in the foreground, a line of trees in the middle ground, and a sky with soft, glowing clouds in shades of blue, orange, and yellow, suggesting a sunset or sunrise.

ODYSSEY

You experience a lonely bus ride, not knowing where the trip will end
Hoping that somewhere down the line you'll see a familiar face
The bus finally stops and you're put off in front of a monstrous building
You enter slowly, investigating your surroundings with every step you take
There are many faces all around you, some you recognize but never got
to know.

You are alone, although there are many people around you
Your footsteps, as you continue onward, are all that you can hear
You haven't seen anything yet that gives you any clue to where you are
You approach a long corridor filled with people,
Who are standing on both sides and looking your way.

Suddenly you notice a tall figure standing at the other end,
Waving to you, telling you to come closer.
Not knowing what to do, you are propelled down the corridor
towards the figure
Even with your head bowed, you still feel the eyes of the people
around you
As they watch your every move.

When you finally reach the figure and slowly look up,
You meet an enormous, friendly smile and then, the figure speaks!
"Welcome, you're in the home of the Barons, you're now a member
of our family."
So you continue onward,
Realizing that you have just ventured through the first step of
your odyssey.

Bowles Quote: "They Done Good!"

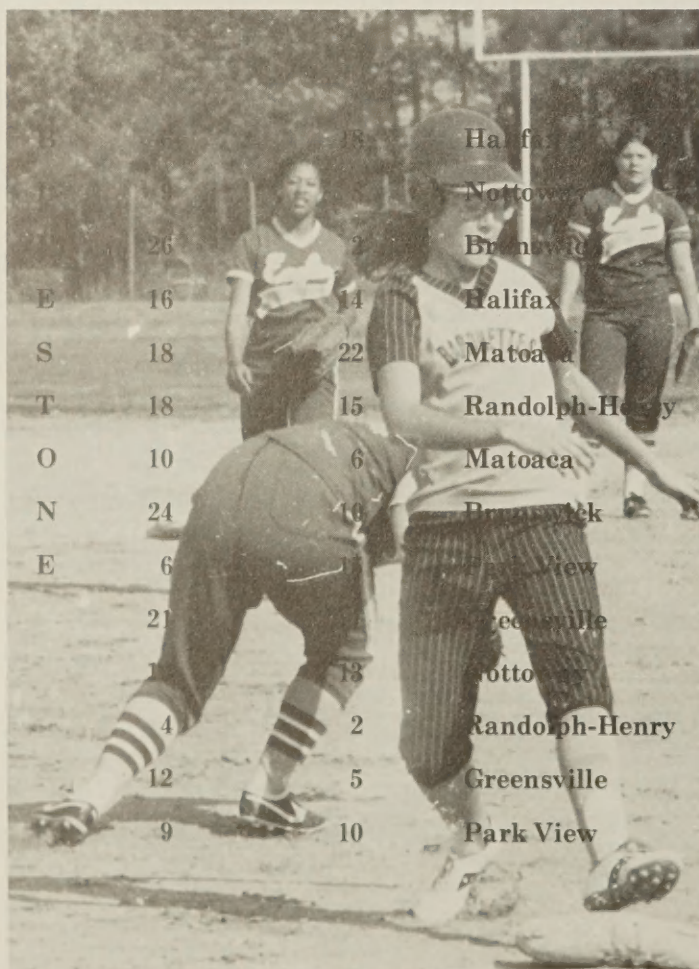

Outstanding performances by all team members enabled the squad to lose only four games to their opposition. The 8-4 record was the best in many years. Billy Oliver, 1st team centerfield; William Morse, 2nd team outfielder; and Doug Toombs, honorable mention catcher were chosen for the All-District Team.

1st row (l-r) Coach Bill Bowles, Wayne Pruett, Thomas Crutchfield, Mark Nunn, Doug Toombs, Guy DeSantis, Anthony Burwell, Gary Rogers, William Morse, and Warren Pruett. 2nd row (l-r) Ronnie Reese, Willis Mull, Charles Wagstaff, Ray Oliver, Donnie Reese, William Park, Mark Moody, Tony Lacks, William Oliver, and Andy Hawkins.

Kneeling (l-r) — Bonita Goode, Pricilla McFail, Cynthia Hayes, Rebecca Pritchard, Karen Kindley. Standing (l-r) — Coach Hughey, Manager Gloria Taylor, Adora Salley, Delta Bowers, Gloria Venable, Cindy Owen, Gayle Harris, Hester Osborne, Managers; Jane Hayes and Felice Somerville.

Cindy Owen steals another base in her never ending battle to bring a win to the team.

The girls' and boys' track teams have experienced a true odyssey. With only two tracks in the district, and none in the county — scheduling and participation was to say the least — Difficult. Even with the long and uncomfortable trips to Greenville and Matoaca the teams had a good season.

Dirks and Crowder Leave Coaching

Bluestone's cindermen and women were coached by Donnie Crowder and Catherine Dirks.

Coach Crowder and his men had a rough season. Thirty boys started the season but only eighteen were dedicated enough to finish. Though few in number they were high in spirit. Led by their captain Irvin "the Bird" White, who ran the 100, 220, and 880 yards, but found his best event in the triple jump. The team placed third in the district. Several members went to the regional but only "Bird" went to the state.

The girl's track team under the coaching of Mrs. Dirks took third place in the district. They were also asked to participate in the Fluvanna Invitational. In the regional, the relay team of Carolyn Spencer, Karen Simmons, Josephine Jones and Kimberly Reese placed 4th in the 440 and 880. Carolyn Spencer placed 4th in the long jump which gave her a berth in the state meet at Harrisonburg.

David Watts
Doug Puryear
Tim Nunn
Donald Wade
Mike Morrison
Michael Spear
Malcolm Nunn

In its third successful year, the tennis team, sponsored by Miss Cynthia Reid, showed promise. Scott Ehrhardt and Jeff Smith, who were in first and second team positions, went to the regionals. The team, practiced in Chase City and Clarksville but played home games on the Chase City Municipal Courts. Much of the beginning of the season was rained out which meant that towards the end of the season several games were played in one week.

GATE Arrives at Bluestone

A scheduled program for selected gifted and talented students was offered to those who qualified with test scores and grades.

The students were scheduled six period and would study a different subject each six weeks with a different instructor each six weeks.

Subjects covered were Entomology, Mrs. Jones, instructor; music: Back to Rock, Mr. Conner, instructor; Tudor England, Mrs. Sim-

mons, instructor; Cooking, Mrs. Elliott, instructor; Oriental Cultures, Mrs. Ricci, instructor; Horticulture, Mr. Hester, Instructor.

One of the field trips was to the Virginia Museum in Richmond for the musical "Fantasticks."

The students gained many new, and probably, experiences they would never have had if this program had not been available. Although credit could not be given because teachers were giving up their planning period which was against accreditation policy it was still worth the effort. Mrs. Simmons and Mr. Conner were the coordinators for the program.

Juniors Spare No Expense

The Juniors were ready before Christmas with their plans for a Junior-Senior Prom in which they spared no expense. The Band "Casper" was hired for the night in May. All of the materials were in and waiting for the day they could be used. "Baron Domain" was chosen as the theme and the usual dreary gym was transformed into the inside of a castle complete with flags, streamers and castle-like motifs. Most of the money for their event came from the cookie sales held by Juniors each year. The prom was held late in May and was a huge success even if everyone had other parties to attend which left the last hour to the chaperones who enjoy "Casper" and "Baron Country."

GRADUATION — 1978

It rained — moved into the gym — it stopped raining — moved back outside — the seats were wet — the crowd was wet — the PA was wet and a substitute was used — but it did not stop the 200 plus 1978 graduating class from receiving their diplomas when it started raining again at the end.

Dr. Garry Aven delivered the Baccalaureate service, Barbara Thames gave the Senior challenge and Frances Jones accepted as the Junior Representative.

FALL

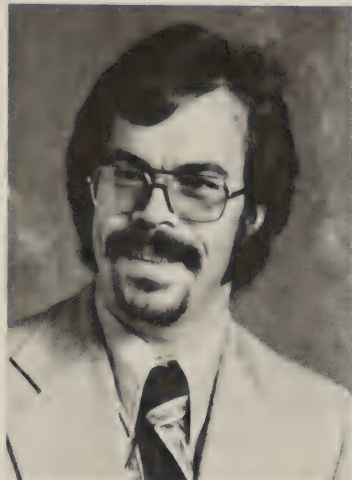

No One Ever Said It Was Going To Be Easy BUT . . .

In the everyday excitement of school there are many very interesting personalities. Any student has seen either Mr. Holloman pulling his comical shenanigans and Mrs. Simmons telling a hilarious joke or maybe noticed Mr. Conner and his relaxed approach, or seen one of Mrs. Talley's puzzling faces. This is a thank you from us to these and other characters for putting a smile on our commonly bored faces and in the same process "learning us lots."

Bottom Left: Mr. Conner believes you should be natural when your picture is taken in photo-journalism. Bottom center and right: Mrs. Talley believes you should express yourself and relieve your tensions.

Life After High School

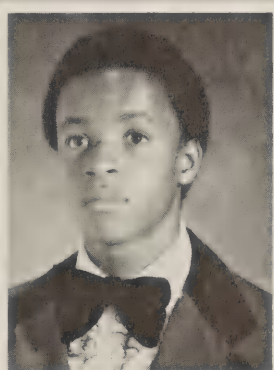

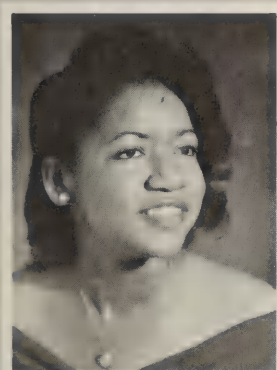

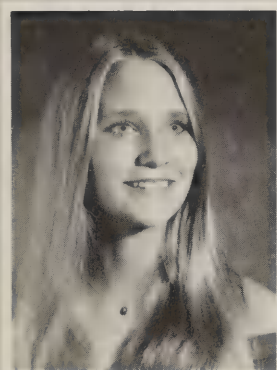

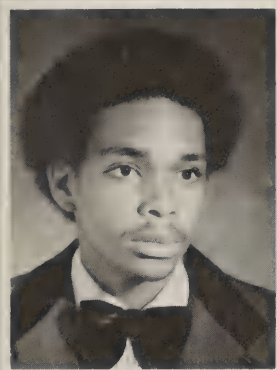

We are seniors — we are important — we have a lot to offer the world. Let's just hope our offer is one the world can't refuse. The question seems to be 'what place does the world have to offer us.' Seniors have a choice between colleges, armed services, the job market, or immediately starting a home. This will be accomplished by decisions — our decisions.

Because of this, seniors have plenty of concerns. One is grades. We need decent grades to get into college or the armed services or just to get out of high school. Other seniors are concerned about finding a job or choosing a major which is practical. Some seniors are concerned about finding the perfect mate and settling down, while others worry about how long the parties will last. All seniors probably wonder how the decisions we have made now will affect the rest of our lives.

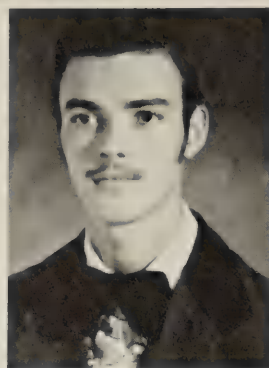

There is life after high school, but it's only what we make it!

**MARY VIRGINIA
GARNETT WOOD**

Mary Virginia Garnett Wood of Chase City, educated in the schools of Mecklenburg County, Virginia Intermont College and Radford College; and head of the Home Economics Department, Bluestone Senior High School, died along with her husband, Franklin Royster Wood, March 25, 1978, in an automobile accident near South Hill, Va.

Mrs. Wood was a member of AHEA, VVA, VHEA and a past president of VHETA. She was advisor to the Bluestone Senior High FHA advisor, currently served as advisor to the state reporter.

Mrs. Wood faithful to her church, devoted to her family and friends, cooperative and helpful with her fellow teachers, loyal to the administration and her profession, dedicated to her pupils and mindful of their problems, alert and alive to the needs and concerns of others, and involved in community and civic affairs, disciplined her life to respect others, to be obedient to the laws of the universe; to persevere for standards of excellence both in educational and moral values, and to serve faithful whenever and wherever the need arose.

Booster Club Revived!

Top Right: Coaches Bill Bowles, Lindell Palmer, and Tim Clary could only look on. Top Left: Quarterback Mike Newton is sacked.

Bottom left and right: Homecoming crowd rockets spirits of players.

The Bluestone Baron's 1978 football season will be well remembered. The reorganized Booster Club, known as Bluestone Sports Incorporated, has immensely helped the football program financially. The Boosters raised some three hundred dollars to relieve the players of the high cost of insurance which is a necessity to every member of the team. This year's football team has improved enormously, mentally as well as physically.

Coach Bill Bowles, who succeeded Donnie Crowder, as head coach, has done an excellent job of getting the football program organized. Moving up from the Junior High, Tim Clary has taken the position of assistant coach. Lindell Palmer has returned for his fourth season with the Barons. Along with the new leadership, the team picked three captains. The Captains for this year were Fred Lindholm, Larry Redd, and William Morse. Throughout the year the team looked up to them for moral support and guidance.

Coach Clary discusses the next play with Mike Newton.

Junnie Kersey (22) runs for yardage as James Brown (36) looks on.

Mike Newton, quarterback, finds a crushing defense.

At the beginning of the season, everyone had high hopes because of the large turnout of participants for the first night of practice. The anticipation from the 40 expected players dwindled everyone's hopes as the season ended with a mere 20 players to dress out. This is a prime example of the way student apathy has troubled the football program.

This year's team was not plagued by serious injuries as it has been in the past. Most of the injuries occurred towards the end of the season. The worst injuries were a fractured shoulder and a separated shoulder, along with the usual pulled muscles and tendons.

The Barons had six players to make the district team. Those players were Larry Redd, Andy Hawkins, Gary Rogers, William Morse, Mike Newton, and Junnie Kersey. Larry Redd was chosen as offensive Guard and defensive line backer for first team. Andy Hawkins was chosen as second team offensive and defensive tackle.

William Morse is helped off the field.

An overall record of 4 and 6 shows that the Barons have already improved since last year. The Barons stand 3 and 5 in the District games. Much is to be expected in next year's team with 16 returning juniors having starting experience. The Barons will definitely give the district teams a run for the money next year.

Defense held its own ground, even though the Barons lost six games. The Barons had three shutouts as a result of a tough defense. Larry Redd was a great asset to the defense with his tackling ability.

The quickness of the Baron offense made up for the lack of size. The front line included Odel Redd, Larry Redd, Donnie Clary, Gary Rogers, and Andy Hawkins. Donald Wade played tight end and Wayne Pruett, split end.

The backfield was just as quick as the line, with Junior Kersey, William Morse, Mike Newton, quarterback, and Fred Lindholm fullback.

Penalties and fumbles were a big problem during the season, especially the Park View game with 175 yards in penalties. The Barons had over 130 points on the board in their running game for the season. With returning members the team will be tops and give opposing defenses all they can handle.

Top Left: Mighty Baron's defense await the snap. Middle Left: Problems?? Bottom Left: Barons try for yardage. Right: Head Coach Bowles explains how the play should have gone.

Vocational Complex Opens

A new vocational and business complex greeted the 1978 students and faculty. A modern two story building with new equipment for commercial subjects, electronics, refrigeration, building trades, power mechanics, distributive education, and clothing was ready to start the school year.

The Commercial department went to a block program as well as the other programs and students spent two hours in their classes each day.

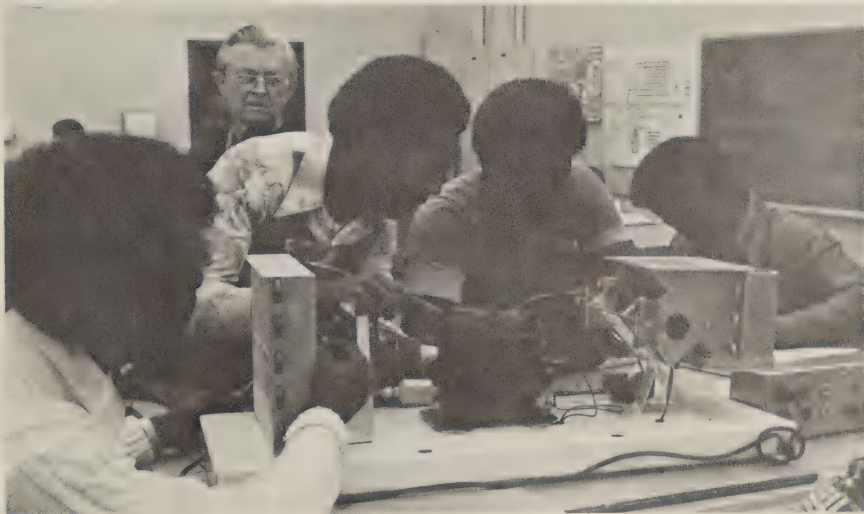

Students were able to study Masonery, Agriculture, and Industrial Arts as well in the older buildings.

Top right: Dean Taylor and Victor Miller lift Mr. Pixley, power mechanics instructor, as other students look on. Center Left: Mr. Pixley demonstrates the cylinder boring machine to (l-r) Robert Wilkerson, David Gryder, and Fred Lindholm. Center Right: Albert Evans and Greg Harris look on as Mr. Pixley shows the parts of a tractor. Bottom Right: Glenn Lawson and Jerry Gordon demonstrate their skills with hand tools in the building trade block.

Top Left: J.T. Parcell and Elmore Cole adjust equipment controls in the electronic lab. Middle Left: Students in Mr. Partridge's air-condition and refrigeration block work with equipment. Bottom Left: Students in Mr. Crowder's industrial art class and Mr. Conner's General Music class learn about P.A. and sound equipment. Top right: Willie Leigh and Earl Small show off an arch they built in Masonry. Bottom right: Mr. Dortch, masonry instructor stands with (l-r) William Baskerville, Calvin Oliver, Lewis Royster, and Roger Pulliam.

BUSINESS

Top Right: Brenda Rogers learns business procedure in the typing lab. Center right: Katherine Guthrie uses typing skills during office practice. Top Left: Susan Fleming and Allyson Keeton study bookkeeping skills in an office setting. Bottom Left: Many machines such as the memory typewriter, adding machines, and dictating machines are used in the office practice block as Wanda Oslin and Debbie Garner demonstrate their skills.

Cynthia Hayes and Annette Sizemore practice with the cash register in their Distributive Education block.

Two Chosen for Regional Choir

Alison Evans and Earnadette Powell were chosen to attend All-Regional Chorus at Byrd High School, Feb. 16, 17, and 18. The two were chosen by outside judges. Director Walt Conner said this was a great opportunity for the two choir members and hope more will be able to attend in years to come.

The choir not only had a new director, Walter Conner but also an accompanist, Tony Wood. This is the first year in many years that the choir has had an accompanist.

The choir performed for the Thanksgiving and Christmas assemblies. A Spring Concert was also planned.

We, the Yearbook Staff, would like to thank everyone who helped to make the 1979 Golden Link a success. The efficiency has overcome the lack of funds and lack of cooperation to produce the Golden Link.

The Yearbook would not have been possible without the help of the following: Max Ward, Delmar Studio, the News-Progress, the Sun, the Enterprise, Commercial Department, patrons, Mrs. Talley, photo-journalism classes, cooperative students and teachers. To these we offer our special thanks.

Out staff, which includes:

Bev Chewning Editor in Chief
Cindy Wright Assistant Editor
Karen Wallace Lay-out Editor
Karen Simmons Sports Editor
Karen Brankley Student-Life Editor
Angela Overby Typing Editor
Hallie Mondragon Copy Editor
Mark Claiborne Business Manager
Mike Joachim Photographer

and Staff: Chris Driggett, Yvonne Driggs, Marty Frazier, Yvonne Johnson, Janet Langford, Bobby Owen, Donald Wade, would like to offer a special thanks to our advisor, Walter D. Conner, whose unfailing support and never-ending advice has given you this yearbook.

Bluestone High School, through your halls
Learning leads us on our way.

Crystal skies above us bend
Happy are our hours each day.

Chorus:

Alma Mater, you we hail
As the years go by.

Guiding light, safeguard our pathway,
Shine from Bluestone High.

Bluestone High School, may we build
Lives like your foundation strong.

Honor, faith, and love will keep
Memories bright and friendships long.

Chorus:

Alma Mater, you we hail
As the years go by.

Guiding light, safeguard our pathway,
Shine from Bluestone High.
